CONSAFE LOGISTICS

Consafe Logistics Cookie Policy

This website stores cookies on your computer and to make sure that you can have a nice annoyance-free time on our site. These cookies are used to collect information about how you interact with our website and allow us to remember you. We use this information in order to improve and customize your browsing experience and for analytics and metrics about our visitors both on this website and other media.

What are cookies and why do we use them?

Cookies are small text files that gets stored on your computer, phone or tablet when you're visiting a website. We, or our partners, place cookies on our website to improve our site and to make sure that basic features and services function properly.

Cookies have different purposes. Some store basic information about our site's users which facilitate your navigation on our site. Others are used for analytical or advertising purposes. Below is a breakdown of the cookies we use. You can choose the use of cookies, and your preferences can be modified at any time. If you choose to decline cookies, you may not be able to fully experience the features of our site.

Necessary cookies

These cookies are necessary for the website to function and cannot be switched off in our systems. They are usually only set in response to actions made by you which amount to a request for services, such as setting your privacy preferences, logging in, or filling in forms.

test_cookie	doubleclick.net	session	This cookie is set by DoubleClick (which is owned by Google) to determine if the website visitor's browser supports cookies.

Advertising cookies

We use cookies to make our ads more engaging and valuable to site visitors. Some common applications of cookies are to select advertising based on what's relevant to a user; to improve reporting on ad campaign performance; and to avoid showing ads the user has already seen. Some of these cookies are third-party cookies from our partners.

Cookie name	Provider	Expiry	Description
lidc	linkedin.com	1439 minutes	Used by the social networking service, LinkedIn, for tracking the use of embedded services.
bcookie	linkedin.com	364 days	Used by LinkedIn to track the use of embedded services.
